
Outdoor Education Price List 2022-23

All prices are excluding VAT (+20% but can be reclaimed by state schools).

One-day experiences:

Outspark can offer one-day experiences for young people at both Primary and Secondary Schools. Our day courses are professionally led, delivered at your school grounds and tailored to suit your requirements.

The Outspark Day

Designed to work for KS2 & KS3 children, the 'Outspark Day' mixes traditional outdoor activities with Philosophy, lively discussion, improv and debating. A brilliant way to either start the academic year, or to celebrate the children's achievements at the end of the year.

Priced at £29.00 + VAT per person with a minimum booking of 45 children. We can also run the day at £33.00 + VAT per person with a minimum of 30 children.

Team-building Day

A perfect way to kick off the new term with Year 7; Outspark's team-building day is a proven bonding experience that helps young people to form positive relationships, engage in team dynamics, learn new skills and have fun.

Priced at just £29.00 + VAT per person and delivered on your school site. This day can also be lengthened to include later afternoon activities, dinner and an evening campfire and games. This longer day costs £59.00 + VAT per person.

Staff INSET Days

Outspark can offer a brilliant, thought-provoking and fun INSET day for school staff. The price will depend on the content of the day and can be aligned to a fixed budget. Please get in touch to receive an accurate price.

Overnight experiences:

Outspark now offers overnight 'camp-outs' on your school site that include activities and catering. A fun, accessible and safe way of giving young people a more immersive experience.

One-night residential - a full day of fun, engaging and professionally delivered outdoor activities, followed by an evening of feasting and games. The day finishes in a night under canvas and a hearty breakfast the following morning.

The experience ends at 9am on day two. A great introduction to a night away from home at an affordable rate. Priced at just £89.00 + VAT per person including all activities, dinner on day one, breakfast on day two, tents and Outspark staffing.

Two day residential - increases the impact of the 'one-night residential' by including a full day of activities on the second day. Outspark can tailor the experience and work with the school to design a programme that delivers maximum impact to the year group. Included in this (but not limited to) could be Philosophy, debating, lively discussion and improv delivered by a trained facilitator in P4C.

Priced at just £119.00 + VAT per person including all activities on both days, catering, tents and Outspark staffing.

Multi-night residential

For schools with a three-form entry or larger, Outspark can run back-to-back one-night residential events under canvas. This runs in the same way as the one night trip, but with a new cohort of children starting the residential after the previous set have had breakfast.

This could be a part of school activity week, or a great way to provide an accessible and affordable outdoor education experience for a larger year group.

Priced at £89.00 + VAT with the option of including more activities at an additional cost.

Please get in touch with Outspark to find out more about the Challenge Events, or any other day time or over night experience by emailing tim@outspark.co.uk or alex@outspark.co.uk

Adventure Experiences

The week-long trip we run to Monmouthshire in South Wales incorporates a range of activities, some of which have fluctuating costs. Please get in touch to receive an accurate price for this experience.
